DAY

Picture Day is Monday, Sept. 16 for PreK 4 through grade 8. To order school pictures online, go to inter-state.com/order and enter code **40498WA**. All check orders need to be handed in with the order form to your child's teacher. Volleyball and soccer players should bring their uniforms even if not ordering individual pictures. To order sport pictures online, go to inter-state.com/order and enter the number on your sport order form. PreK 3 and retake day is Tuesday, October 22.

LOVE to Sing? It is not too late for 3rd–8th grade students to join Junior Choir. 2 practice times: Weds. 3:40 or 5:15. If you have any questions, contact Mrs. Wessel at 414-533-9348.

NSP Parade If you are thinking of joining us in the parade, please send your sign-up sheet in on Monday. The more the merrier!

Aluminum Can Collection is the 3rd Saturday of each month. If you would like to bring your cans earlier than Saturday, please set them outside of the garage door.. Please make sure only cans are in the plastic bags. No other garbage of any type is allowed at the recycling center. Your can collection volunteer appreciates your cooperation. All proceeds goes to the Athletic Fund! Thank you!

NWEA Testing Grades 3-8 will begin the fall NWEA testing on Monday, **September 23**. Well fed and rested students test best.

In-House Presentation Children's author, Mary Schmal, is coming to CLS along with the illustrator of her books, Leanne Ross, on **Tuesday, September 24** at 10:30a. Parents are invited to attend!

Student Directories are in your family envelopes. In the past, parents like this information for birthday party invitations (please don't hand invitations out in school) or for classroom valentines, etc.

This Week at CLS

This week, the Cougars hit the court and the pitch with their first volleyball and soccer games! St. Croix Lutheran Academy reps stopped by to talk about our high school and Homecoming, and recorders arrived for Music class! Meanwhile, down the hall...

Art 5-8 studied lines and began to fill their sketch books!

Grades 7/8 calculated their own average walking speed in addition to velocity and acceleration studies and writing about their life's dreams and goals!

Math 7 "played" with adding, subtracting and multiplying integers!

Grade 6 loved picking out their own books and reading away as part of our new independent reading focus!

Grade 5 worked on parallel timelines, multiplying and dividing with powers of ten and

long i and o words!

Grades 3/4 learned about pioneer life in a living history day at the Wargo Nature Center in Hugo!

The second graders learned about doubles, exclamations, families from different cultures, made bugs in art and observed a butterfly habitat! (Thanks, Polzins!)

First graders marveled at Abraham's trust in God and the color wheel!

Kindergarteners sorted by color, shape and size and also observed the butterfly habitat!

The creation story was retold using new creation pieces in **PreK!**

Thank you for your support of these and many other learning, and growing opportunities in the light of God's Word!

Bringing Snacks for Your Child's Classroom?

If you would like to bring a snack for your child to share with classmates, we ask that you contact your child's teacher to see if there are any children with food allergies, then, please bring a prepackaged treat that everyone can enjoy. Thank you!

Picture Day is on Monday, Sept. 16!

If you are paying by check, your child must have the order form and check at the time pictures are taken.
