GO COUGARS!

This Week at CLS

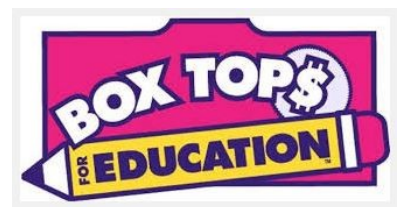

Did you know that the CLS faculty has a professional book club? (*The Book Whisperer* is their current read!) Did you know that CLS students compete in a Public Speaking Festival? (Students in grades 5-8 performed for their classmates this week and will at SCLA on Saturday!) Did you know that CLS students make a habit of service? (Grades 7/8 visited and played games with Maple Hill Senior Living Center residents on Wednesday! PreK-8 cleaned up the Christ Lutheran play-ground and lawns as well our neighbors' yards on Friday morning, and made placemats, served for the brunch and sang for Welcome Home Sunday!) Other

things CLS students know...

Pre-K students prepared a story bag with 12 (!) craft stick puppets and props to retell the story of God's plan for Joseph! **K** learned about Moses from a baby to leading God's people out of Egypt and can recognize, count and write numbers 6-10! **First graders** started subtraction and worked with wonderful, fun, exciting adjectives! **Second graders** heard about the Israelites crossing the Red Sea and the Ten Commandments and counted by 2s, 5s and 10s! **Third graders** learned their multi-plication facts, while **fourth graders** studied the three branches of government! **Grade 5** spent

time reviewing Commandments 1-3 and the properties of multi-plication! Jesus is our Prophet, Priest and King was the focus in **grade 6** plus coefficients and factors! **Grades 7/8** studied verbs and simple machines, applying their knowledge of force, energy, work and power while *Fever 1793* came to its thrilling conclusion!

We also know that we have the blessing of many generous CLS supporters! Thank you for your prayers and donations of time, talent and treasure!

Please send in any unexpired Box Tops that you have saved. The deadline for this 6 month period is November 1.
