## This Week at CLS

Ash Wednesday began our solemn Lenten journey to the cross. School families served their Savior and His people with the first Lenten dinner. Grades 5-8 sang "Luther's Morning Prayer" in church and in chapel. Meanwhile, down the hall...

**Pre-K** read *Bear Snores On* outside their bear den and shared snacks inspired by the book!

Kindergarteners learned about plants and animal needs and worked on "teen numbers" in Math!

First graders studied artist-of-the-month Picasso and shared poems with their classmates!

Second graders finished addition, moved on to subtraction, learned about animals without backbones and read nature stories!

Grades 3/4 learned the scientific method and

worked on science projects for the upcoming CLS Academic Festival!

Grade 5 studied the Third Article of the Apostles' Creed, chemical reactions and reaction time and compound words!

Grade 6 completed their commandment study, integers and *I Will Always Write Back!*

Math 7 divided fractions and multiplied mixed numbers!

Grades 7/8 studied metals, metalloids, art songs and took a test on adjectives and adverbs!

Art 5-8 created artistic tessellations! God's blessings on your Lenten season! What a blessing to learn about and at the foot of Jesus' cross at CLS!

Thank you for your support of Christian education!

**St. Croix Academy** is offering NEW, as well as, previously held, academic summer camps for students going into grade 5-8. There are also a variety of sport camps (some offered to students as young as K) now available online. Go to [stcroixlutheran.org/camps](http://stcroixlutheran.org/camps)

## Sports:

Next up for the 5th-8th grade Cougar athletes will be the bowling season. It begins mid to late March with practices. Matches will begin in April.
