Searching for Childcare?

Finding childcare for the summer months can be a difficult task. Coordinating schedules with family, searching for a safe and friendly childcare facility, and seeking a place where your child feels comfortable can be challenging.

Here's an Idea!

Search no longer! This summer Christ Lutheran is offering a brand new childcare opportunity for the families of the church and community. The name of this childcare is *Victory Day Camp*.

The purpose of *Victory Day Camp* is to provide a Christ centered environment with daily study of God's Word. Our focus is to provide a caring, safe, and supervised childcare camp with Christian guidance. The staff will continually encourage all children to display an attitude of Christ-like love in every activity.

*Victory Day Camp
provides a fun and safe
environment for children
to grow physically,
emotionally, and
spiritually during the
summer months.*

Operating hours of this camp are from 6:30am - 5:30pm. The camp will begin on Monday, June 4th and will conclude on Friday, August 17th. Weekly activities will include crafts, songs, Bible story lessons, sports activities, and field trips.

Most camp counselors have previous experience with running summer camps. They also have college training in education and are first-aid certified. These counselors are excited to begin a summer-long program of games, interactive learning experiences, Christian growth, and fun. They are currently developing unique

and innovate methods for making this program seem like one long and exciting field trip!

In February, Pam Gabrio was asked to be *Victory Day Camp* administrator. With an enthusiasm for sharing God's Word with children, Pam was a perfect fit for this position. She looks forward to a summer of joy-filled activities.

Victory Day Camp offers a full-schedule of exciting activities, weekly field trips, one daily snack, a Christ-centered learning environment, and college trained camp counselors all for a reasonable and competitive rate (please refer to registration page for rates).

Currently, we are offering an early-bird discount to those who pre-register their children. There is also a credit offered to those who refer a non-Christ Lutheran Church family. Please see attached forms for additional details or call 651-777-5771.
